

Truckee Family Club Donates To Katrina Disaster

The Truckee Family Club, a non-profit organization for families with children, donated \$500 to a fundraiser for Truckee's sister city Bayou La Batrie in Alabama. Our donation was the largest individual contribution to the "Sister City Katrina Fund" which in total raised \$2700 for children in this city.

Orchestrating this fundraiser were board members Dirk and Vickie Hooser, Jane Loomis, and Margie Meyer. The event consisted of preschools throughout the Truckee area, parents of preschoolers and the children themselves all donating time, money, and holiday items that were sold to raise money for the fund. "The Board wants to thank the Truckee Family Club for their generous donation. The Truckee Family Club is a great organization here in town that touches so many families. Even after the kids are grown, families stay close and connected," says Vickie Hooser.
