

Press Release

TRUCKEE FAMILY CLUB (TFC) aka Truckee Family Connection, is an organization for families with children. Our goal is to provide families with a supportive and informative environment through planned monthly activities and ongoing community awareness. With its daily playgroups, family days, book club, mom's and dad's nights out and community philanthropy, TFC is the answer to every new parent's needs.

For over nine years, TFC has been an organization built on member participation. You and your family can become as involved in this group as your busy lives allow, from attending outings, playgroups, and meetings, to serving as an officer or director. Parents and children alike will develop new friendships, carrying well into their school years.

TFC memberships span greater Truckee, including Sierra Meadows, Ponderosa Palisades, Glenshire, Tahoe Donner, Serene Lakes and Alpine Meadows. TFC is a non-profit organization and does not discriminate.
